

a program developed by:

intercultural percussive dance and music
performances - workshops - residencies

FEET KEEP THE BEAT is a signature program developed by The Center for Arts at the Armory (CAA) located in Somerville, MA. CAA has brought together a local collective of leading percussive dance artists and musicians in Flamenco, Kathak, Step, Tap, and West African. Each year since 2023, CAA has held a FEET KEEP THE BEAT Percussive Dance Festival in early August. The Festival has combined a thrilling performance showcase, community workshops, and more informal jams inside our Café. The FEET KEEP THE BEAT collective is now available for booking by your venue.

A FEET KEEP THE BEAT (FKTB) booking guarantees a minimum of two FKTB artists representing two different percussive dance styles. FKTB artists are available to:

- Headline a performance
- Conduct master classes for all ages and levels
- Conduct community workshops for all ages and levels
- Perform in a more informal setting that combines some lecture-demonstration / audience participation
- Conduct a multi-day residency with performances and classes
